***GREEN = last day to send cases for return before Christmas**

(all times include 1 day for shipping)

2026 Holiday Hours at Progenic

The holiday season is often a busy time for everyone! To make scheduling easier, we have included a holiday planning calendar on the reverse. Allowing the recommended number of working days helps us maintain the quality of each restoration and gives your office reliable dates when coordinating patient appointments.

LAB HOLIDAY CLOSURE

December 24th @1pm - January 1st

Regular hours resume Monday January 4th @9am

There will be no service or production during our closure. Our standard production times remain unchanged throughout the holiday season and are adjusted only for the days the lab is closed. Please note that the working times below include one day for shipping.

Some cases may require additional time depending on complexity. If you have a case with special scheduling requirements or need an earlier return date, please contact the lab before scheduling the patient. We will accommodate rush requests whenever possible; an expedited service fee may apply.

Services	**Total Days** (includes 1 shipping day)
Crowns; Full Metal	6 days
Crowns; PFM, Zirconia, e.max, Inlay/Onlay	8 days
Post & Core; 1-2 Units	6 days
Veneers	8 days
Temporary Crowns/Bridges (5 or Less Units)	4 days
Implants; PFM/Zirconia	11 days
Nightguards	6 days
